Pastor and church,

Dear family in Christ, greetings in the name of our Lord Jesus Christ. We pray that the grace of Christ would fill your lives, your families and ministries, and we hope you all are doing well.

Thanks to our great and merciful God we are very good, and His work is growing. By the grace of God, we are standing firm and we are so glad to have the opportunity to serve Christ, King of kings and Lord of lords. My family and I and the missions work are doing fine.

We are still preaching and teaching the holy gospel of Christ at the church, at two other places and in the streets. We are still having classes at the Biblical Institute every week and the brothers are still faithful, praise God.

We are also still going every week to evangelize and to have worship services in the town of Boye, Queretaro, and in the village, El Arroyo Blanco, San Luis Potosi.

Thanks to the Lord and thanks to our church, Rodgers Baptist Church and also Lighthouse Baptist Church, Mosaic Baptist Church, and Edmond Road Baptist Church that have helped us economically and spiritually, we have finally put the roof on the church building and completed the restrooms. We have been having worship services there since May. We also have had the Missions Conference. Thank God; thank you churches. Glory to God.

Next month we will have Vacation Bible School here in the church and in El Arroyo Blanco, three hours away from here. Please pray for us. We need a van truck; we are sure God will provide.

We are still praying for the future pastor here and praying for the place where God would want us to go establish the next church. Pray for us, please. We need the guidance of the Holy Spirit.

Please keep praying for us, we have a big burden. The population without Christ is enormous. The people here need Christ. We want to preach the gospel of salvation until death. That is a privilege.

We also are praying for a van truck for the church, for economic support, for the provision to build classrooms and for a new place to establish another church.

Precious church of Christ, we thank God for you, thank you for your support and your prayers; we thank God for our home church, The Rodgers Baptist Church and for our pastor, Ron Thomas.

We pray for you, church; we love you, may God bless you.

“But we believe that through the grace of the Lord Jesus Christ we shall be saved, even as they.” (Acts 15:11)

Millions of souls need Christ; God use us.

Glory to Christ,
Nino family
